Where can I buy used 40ft shipping containers?

Buy Used 40ft Shipping Containers at a lower cost for your storage needs at Shipping Container Depot. These high-quality, robust, slightly used containers are perfect for storing bulky objects that wouldn't fit a 20ft shipping container or a 20ft HC container.

What is a 40ft container used for?

Known for its ample size, durability, and cost-effectiveness, the 40ft container is used across industries from logistics and transportation to housing, office space, and personal storage. Let's explore the many facets of 40ft used shipping containers, discussing their benefits, uses, purchasing considerations, and more.

How much cargo can a 40ft container hold?

Compared to a 20ft shipping container, a 40ft container can pack a whopping 2.53 m of cargo for every ton of weight. Meaning, a 40ft container can hold up to approximately 26.76 tons of cargo. 40ft units can be used for commercial, residential, and shipping industry applications.

What are the benefits of a 40ft shipping container?

**Portability:** Another benefit of the 40ft shipping container is its portability. While it's a large structure, it can be easily transported by truck or train. This mobility makes it ideal for both temporary & long-term storage solutions for jobsites and worksites. **Security:** The steel construction of a shipping container makes it highly secure.
