Is Tripoli a commercial launch or a research launch?

Under this safety code there are no longer commercial launches or Research launches just Tripoli launches. There are some changes to the current safety code such as a common safe distance table, a safety code for both model rockets as well as radio controlled boosted gliders as well as other changes.

What is the Tripoli Rocketry Association?

The Tripoli Rocketry Association is expanding its global network and welcoming two new international Prefectures into the association. The Tripoli Board of Directors is thrilled to introduce the preliminary edition of the Tripoli Prefecture Manual.

Is Tripoli Rocketry Association hosting LDRs 42?

The Tripoli Rocketry Association has entered into a Memorandum of Understanding (MOU) with the Experimental Sounding Rocket Association and Spaceport America. During the LDRS 41 Member's Banquet it was announced that Tripoli of Upstate New York will be hosting LDRS 42 at Torrey Farms in Potter, New York.

What's new in Tripoli Rocketry Association L2 practice quizzes?

Tripoli is pleased to introduce new online study quizzes for both safety and technical portions of the Tripoli Rocketry Association's Level 2 certification exam. These new practice quizzes can be an invaluable resource for those preparing to take the exam. TRA has released a new L2 Advanced Study guide that conforms to the new Unified Safety Code.
